Mug Cake

IN A JAR

Makes about 5 mug cakes

1. Grease a microwave-safe mug.
2. Add 6 Tbsp mix, 3 Tbsp milk (or water) and 1 Tbsp oil.
3. Stir with a fork until smooth, scraping the bottom.
4. Microwave 60 seconds, then in 15-second bursts until the top looks dry.
5. Cool a few minutes. The mug will be hot!

Flavor: _____

Once cool, top with frosting or whipped cream!
